

**UNITED STATES INTELLIGENCE BOARD
SECURITY COMMITTEE**

SECOM-D-141
19 March 1976

MEMORANDUM FOR: Security Committee Members

SUBJECT : Implementation of Executive Order 11905,
Sections 7(a) and (d)

1. The new Executive Order on US Foreign Intelligence Activities, Section 7(a) provides that all members of the Executive Branch and its contractors shall sign a secrecy agreement before they obtain access to information containing sources or methods of intelligence. Presumably, this section is to be implemented within ninety days from 18 February 1976.

2. The DCI is looking to the Security Committee to assist in the implementation of this requirement. To this end, I propose to establish a Working Group to develop secrecy agreements and related markings that could possibly be adopted throughout the community. The Working Group will also be expected to recommend proposed rules and regulations to expand the scope of agreements secured from those persons who have access to classified intelligence material [Section 7(d)].

3. Members are requested to be prepared to name their representative to this Working Group at our meeting on 30 March. A report on any actions already taken by your organization toward implementation of Section 7(a) would also be useful.

4. The first meeting of the Working Group will be held on 1 April 1976 in Room 6E-0708, CIA Headquarters.
